

Dear S&D Representatives & Ladies Captains

We are following the advice given by Bowls England, Bowls Wiltshire and our own Bowls Wiltshire Ladies and will cancel all games in the S&D Ladies League up to the end of June, which will include the Representative Game against Swindon & District in May. We will review this situation ongoing and keep you informed. This will of course affect our S&D competitions so they will also be on hold until we know what the situation is. We will waive the S&D affiliation fee for 2020, and if any of the League or Representative Games can take place later in the year we may need to ask for a reduced insurance premium.

The S&D Executive Committee and your President Margaret sincerely hopes that this situation does not affect your Club or individual Members.
