

Message from the Social Secretary

As you are now sadly aware the Bowls Club is closed until at least 1st July.

Although this also applies to all Social Events, we very much look forward to starting them again just as soon as we are able to do so. We have already discussed the possibility of running two events a month once the curfew is lifted to make up for the ones that have been cancelled. In the coming weeks we will also consider some online activities such as quizzes. If you have any ideas or, even better, could put anything together, please contact me at:

Take care everyone.
